## STEWART'S CAMPAIGN.

The result of the Washoe primaries, by which Powning lost his own county, and a Legislative ticket was nominated favorable to Stewart, leaves the latter the leading favorite with the party for the United States Senatorship. In the Washoe battle Stewart showed himself a lively antagonist, what in the parlance of the ring might be called a two handed fighter of the hurricane school. He was obliged to make two fights: one in the primaries and one in the Convention, and if the Washoe episode is a sample of his work few will deny that he is just the sort of a man to lead a rapid, aggressive fight in the Fall campaign. As an organizer, commander and above all, a stayer, he shows to prime advantage.

The voters love a rushing, hot campaign, and the man who can make one will not lack for following in the Battle Born State. There can no longer be said to be any opposition in the Republican party to Stewart. Powning has yielded the field in Washoe, and his following admit that they were fairly beaten and will stand in and elect the ticket.

There has, for some months past, been an uncertainty regarding the Senatorial fight, and the voters divided as to who they should unite upon. This uncertainty no longer exists. Stewart will hold the campaign with his strong silver record, his keeping the hands of the Chinese off the ballot box when Chas. Sumner wanted to give them the right of suffrage and his solid work for the mining interests of the West. He will be an invincible man whether Fair is in the fight or out of it.

## DISSOLUTION OF THE GREENBACK PARTY.

It is a fact not generally known, yet nevertheless a fact, that the Greenback party in this State is no more. The regular Greenback party had its origin in this State five or six years ago and was founded by Dr. Hogan who started the Plunderer as the party organ. For some time the party's growth was slow, but in 1884 it doubled its growth by the accession to its ranks of Mr. Beck of Reno. This made two in the party and there was talk of nominating a regular greenback ticket, but it fell through. The party held together solidly through all sorts of ups and downs until last Wednesday, when the Beck and Hogan wings had a disagreement. Hogan wanted to swing the party for Powning and Beck wanted to unite with the Boardman faction for Stewart, in case no regular greenback candidate presented himself. This caused a split and Hogan said in a chuckling voice, "Beck, I have counted a good deal on you but you have fallen down to the Republican party and its corporation idols." Beck took the proffered hand and in tones of husky emotion sobbed out his last farewell. An hour later Hogan also deserted the party and went over to the Democrats. This left the party absolutely wiped out in Nevada and it is feared never to be resurrected. Its division however has been so even that it will not disturb the balance of power in this State. The little office where the Greenback party of Nevada incubated, flourished and became extinct, is still to be seen at Reno, and in due time will be sent to the Virginia Pioneers appropriately labeled and filed away in a cabinet.

## The Conquering Hero Comes.

New York, September 18th.—Patrick Sheedy, John L. Sullivan's manager, said yesterday: "We start for the West soon. We shall go across the continent first, and work back. I can make arrangements for a match between Sullivan and either Ryan or Mitchell, to come off in San Francisco at any time before the election. Then whichever of them we don't satisfy in San Francisco, we can fight in Butte City or Alleghany City, and start for Ireland early in December."

## The Dolphin Paid For.

WASHINGTON, Sept. 18.—A warrant for \$45,000 has been issued to the assignees of John Roach in final payment for the Dolphin and

for the care of the Monitor Paritan. This is accepted in settlement of all claims of John Roach against the Government, and the Dolphin becomes in law what she long has been in fact, the property of the Government.

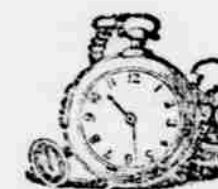

—Captain John F. Alexander has been selected as Chairman of the Washoe County Republican Central Committee.
